

WIDE SHUT NO MORE

A political thriller abundantly attuned to the anxieties of our time.

Wide Shut No More. A near-future timeline, just a calendar flick away. Four ingenious powerful leads, two women, two men, rock this thriller. An anti-hero billionaire sets out on a mission to alert the world to what is really going on behind the doors of power. His method of captivating audiences of millions on social media is by spectacularly executing an assortment of his fellow billionaires, each termination viewed online with an audacious twist of its own.

Millions worldwide tune in and cheer. Greed takes a hit. The 1% panics. Who will be next?

It is up to an unlikely threesome to figure out how to stop him: one Professor Witte of NYU, who is a knockout handsome female magnet; Scorpio, a brilliant think-out-of-the-box student in his “Animal Farm” course; and the enigmatic La Jolie, a stunning special agent in the employ of a secret security force run for the world’s wealthiest - a Mensa mind whose mandate is to stop the madness by any means possible. But does figuring out the how-to mean they *will* do?

The faceless antihero is sophisticated and proud of his wit and expertise in foiling the best that the world of security can throw at him. He is resolutely egalitarian in selecting victims from a list of billionaires from all nationalities, ethnicities, and faiths, and takes great care to dispatch them in only the most creative and spectacular ways, garnering maximum attention for his cause. He is virtually unstoppable, determined to expose the Machiavellian dealings of the shadowy power elite, and the inevitable environmental catastrophe they are creating globally.

With each new execution – no gunplay is involved - his fan-base expands exponentially via social media, spawning massive support for his growing cause, and hope throughout the world for the millions of disenfranchised trying to eke out a living. And when he reveals that Professor Witte originally inspired his executions with his teachings on George Orwell’s “Animal Farm”, thousands worldwide don ‘tear-drop’ Venetian masks in a show of support for his rallying cry:

“Truth is a virus that cannot be stopped”.

Worldwide Protests.....

A political thriller writ large, with a readymade massive worldwide fan base eager to cheer the breathtaking demise of a few conspicuous ‘1% of 1% ers’ caught in the crosshairs. A warning of an imminent dystopian future. Emotional gratification guaranteed. Unknown to all is Professor Witte's own secret list, and covert agenda.
